# Portraits

a portrait experience gives you the gift of reliving moments in time that cannot be recaptured. they are a way to make sure we celebrate and remember snippets of a life lived, a child loved, a family united.

every child and family are unique and that is why no photography session is ever the same. custom portrait experiences are tailored to you, your life and your family.

# Experience

# Portrait Fee

Portrait sessions are \$850

this includes:

a personal portrait experience lasting  
between 1-2 hours at a location of your choice  
for up to five family members

a selection of professionally edited images presented in  
both colour and black & white on a custom USB

licence to print, share and enjoy your  
images for personal use

*Special Offer*

Every maternity booking receives \$200 off their newborn session
